

# RS-10920

## REPLACEMENT HOSE REEL FACEPLATE FOR ELECTRIC AND GAS HOSE ROLLERS

### Features:

- Designed for The Rookie Electric Hose Rollers (RS-13003) and Gas Hose Rollers (RS-13000, RS-13004, RS-13005).
- Replaces worn or damaged hose roller faceplates
- Labeled pin holes in inches that allow quick selection and accurate hose alignment.
- Manufactured from high-strength, corrosion-resistant 6061-T6 aluminum for durability and long service life.
- Designed for straightforward setup with pins and sleeves.
- Works with grease to reduce wear and make installation easier.

### General Description:

The RS-10920 Replacement Hose Reel Faceplate is designed for The Rookie Electric Hose Rollers (RS-13003) and Gas Hose Rollers (RS-13000, RS-13004, RS-13005). Precision-machined from 6061-T6 aluminum, it provides a strong, corrosion-resistant mounting surface for hose reel pins and sleeves. Pin holes are clearly labeled by hose size, making hose setup quick and accurate.

The RS-10920 Hose Reel Faceplate restores performance and extends the service life of your hose roller.
